

Bonding Services

Description: Some employers require an employee to be bonded. For individuals with a bona fide offer of employment, Michigan Works Service Center staff can assist in the bonding process.

Services:

- ◆ Upon employment verification stating the employment is conditional upon the job applicant receiving a Fidelity Bond in the amount of \$15,000 to a maximum of \$25,000, staff can assist in completion of the Fidelity Bond Certification Form.
- ◆ After sending the form for processing, Michigan Works Service Center staff can notify the employer and job applicant in writing that an acknowledgement is forthcoming.
