

How to Survive in a Team Environment

Description: Recognizing the importance of teamwork is key to personal and professional success. “Jungle Escape” introduces and reinforces basic team building skills. Your helicopter crashes in a remote jungle. To survive, you and your team member must work together to build an escape helicopter with spare parts and diagrams.

What you will learn:

- ◆ Learn group process skills vital to effective teamwork including communication, decision making, problem solving and conflict resolution
- ◆ Learn the impact of planning on group results
- ◆ Understand the effect of individual behavior on group productivity

Textbooks/materials: Interactive Game “Survive the Jungle as a Team!”
