

Michigan Rehabilitation Services

Description: Michigan Rehabilitation Services (MRS) works with people with a wide range of physical or mental disabilities. A person with a disability may be eligible for MRS services if the disability causes problems in preparing for, finding, or keeping a job. The individual must also require MRS services in order to work. These services are provided through State and Federal funds.

- Services:
- ◆ Career Counseling and Career Planning. This service includes medical exams, vocational testing, and work evaluations. Job try-outs may be used and can assist in identifying a job goal.
 - ◆ Development of a plan for employment that outlines services needed and who can provide services to achieve a career goal.
 - ◆ Examples of services that may be provided or arranged for by MRS include disability assessments, vocational evaluations, counseling, job placement services, job retention services, accommodations/assistive technology, job coaches, tools, equipment and licenses, job training, physical restoration services, support services such as interpreters, note takers, and transportation.
